Petitioner states as set forth in this accounting and as affirmed in the accountings filed over more than 15 years, the trustees have made payments to Joyce Thomas, mother of the beneficiary, and the person in whose home he resides for his special needs. Payments made monthly include:

PG&E	\$200.00
Care for the beneficiary	\$200.00
Housekeeping services	\$200.00
Cable TV	\$200.00

In addition telephone and internet services are provided to the residence with a portion paid by the trust and the balance paid by Joyce Thomas. During the accounting payments to AT&T were approximately \$95.00 per month. In addition, the Trustees reimbursed Joyce Thomas for various items purchased for the beneficiary.

Petitioners requests the authority to continue making payments to Joyce for the benefit of the beneficiary, subject, always, to review by the court upon the filing of each annual accounting.

Petitioners pray as follows:

1. That the Eighteenth Account and Report of Trustee is approved, allowed and settled;
2. That all acts and transactions of the Trustee and shown in the account be approved;
3. That the Trustees be allowed the sum of \$2,901.69 for their services as Trustees;
4. That the Attorney for the Trustee be allowed the sum of \$2,902.50 for his legal services rendered to said Trustees plus costs of \$200.00 during the account period.
5. That Trustee be instructed an directed to continue making payments to Joyce Thomas for housekeeping services, care services, cable television and to pay an equitable share of the AT&T charges.
6. That the Trustees be authorized and directed to deposit the sum of \$10,000.00 to the trust's blocked account.

Declaration of Joyce Thomas filed on 6/15/15 states the hours expended each month as Trustee vary slightly, however, on a general basis the following duties are performed:

Financial Management: Ms. Thomas estimates that the total time expended on financial management is 3 – 4 hours per month.

Vehicle Maintenance: Ms. Thomas estimates that the total time expended on maintenance for the trust owned vehicle is 6 – 8 hours per year.

Shopping Trips: Ms. Thomas estimates that shopping trips with Michael average 8 – 10 hours per month.

Accounting and Record Keeping: In addition to the financial matters above, Ms. Thomas states she spends approximately 4 – 6 hours per year.

Total time spent is approximately 13 hours per month or 156 hours per year. The requested fees for "ordinary services" of \$1,951.69 equates to \$12.51 per hour which is significantly lower than the \$25.00 requested in the itemized services in the petition.

Update: Declaration of Richard Barron filed 6/5/15 states the petition to settle the Fourth Account requested \$2,052 for services and costs through 5/31/14. On 7/31/14, Ms. Herzog notified the trustee of her election to terminate the trust. A petition to terminate was filed and with an order shortening time, heard on the same day as the Fourth Account. The order authorized the \$2,052 through 5/31/14, and Judge Oliver also authorized the trustee to retain \$5,000.00 and indicated that only an "informal accounting" was needed showing the deductions from the final reserve. On 9/30/14, the final bill was prepared which included charges from 6/1/14 through 9/30/14, which included research whether the annuities in the trust could be assigned to Ms. Herzog, advising the trustee concerning the procedure for terminating the trust, preparing the petition to terminate the trust, hearings on both petition, came to \$3,228.00, plus \$740.00 in costs to file the petitions and the request for order shortening time. See Exhibit A. When added to the fees authorized by Judge Oliver through 5/31/14, the total fees and costs came to \$6,143.46. This bill inadvertently included a charge of \$123.46 which should have been taken out. He did not seek prior authorization because he believed, based on Judge Oliver's order for an "informal accounting," that there would not be further hearing. In authorizing the trustee to retain \$5,000.00, he also assumed that Judge Oliver's intent was to authorize the trustee to expend up to that amount for final expenses, including attorneys fees, to terminate the trust without further court authorization.

Bookkeeper expenses: For smaller estates, it is the firm's practice to use employee Pamela Anthony to prepare the account rather than an outside accounting office. Ms. Anthony has been trained to follow the format required and has prepared more than 200 accountings for conservatorships and trusts, including in Fresno County. This issues has been previously addressed by this court and Ms. Anthony's charges approved. See Order dated 5/14/15 in re Josephine Diaz Special Needs Trust 11CEPR00138.

Travel: Mr. Barron was not aware that Fresno County does not allow travel charges and he is not aware of any other jurisdiction that has adopted such a rule. Such a rule is unfair and discriminatory to attorneys outside of Fresno who are forced to either absorb costs or decline cases. He considered the possibility of appearing telephonically, but decided to appear in person as there are two hearings being heard on the same day. The beneficiary intended to travel from the Los Angeles area to be present for the hearing to terminate in case Judge Oliver had questions for them, and he felt it would be appropriate to be present in person and respond to any questions Judge Oliver might have.

Petition for Attorney's Fees and Costs

DOD: 12/19/12		DANIEL T. MCCLOSKEY, attorney for Loretta Ramos, heir, is Petitioner.	NEEDS/PROBLEMS/COMMENTS:	
		PAT HERNANDEZ, sister, was appointed as successor Administrator with bond set at \$400,000.00 on 03/19/14 due to the death of the previous administrator, Manuel Rojas.	<u>CONTINUED FROM 05/27/15</u> Minute Order from 05/27/15 states: Mr. McCloskey makes an oral motion to strike the objection based on the untimely filing. The motion is denied, but the Court allows time for a response. The written response is to be filed by Mr. McCloskey no later than 06/10/15.	
Cont. from 032415, 042315				
	Aff.Sub.Wit.	Petitioner requests fees in connection with his representation of Loretta Ramos who is decedent's niece and intestate heir. Petitioner states that his client was not initially listed as an heir in the Petition for Probate of Manuel Rojas. His representation resulted in the former administrator recognizing Ms. Ramos as an heir as well as several other heirs that were initially left off the Petition for Probate. Further, his representation led to the Administrator's (both former and successor) being required to secure bond and also locating additional assets of the estate valued at approximately \$10,000.00, which benefitted all heirs of the estate. Petitioner asks that he be paid from the estate \$2,807.46 in attorney's fees, representing 11.55 hours @ \$250.00/hr., and costs in the amount of \$435.00 for a total request of \$3,042.56. Services are itemized by date and include review of correspondence, meetings with client, and court appearance.

Objection to Petition for Attorneys' Fees and Costs filed 05/26/15 states: Mr. McCloskey is not the appropriate person to be requesting attorney's fees on behalf of his client. As an heir to the estate, Loretta Ramos is responsible for paying her attorney's fees. Mr. McCloskey did nothing to assist in the administration of the estate and if anything, he impeded the administration with his contentious correspondence and attitude toward the former Administrator and his attorney. When the decedent died, she had several living brothers and sisters all of whom were elderly and had health issues. The initial Administrator, Manuel Rojas (decedent's brother), was doing his best to ascertain the heirs and assets of the estate. The decedent was a hoarder and sorting through her assets took a very long time. Mr. Rojas was grieving the loss of his sister and had very little information about the identification and location of family members that had been estranged from the rest of the family for many years. As soon as he ascertained that information, a supplement to the petition was filed. Mr. McCloskey's contention that bond and additional estate assets were procured due to his involvement in the estate is false. Those things happened in the natural course of administering the estate and, if anything, Mr. McCloskey's correspondence was anger-producing for the former Administrator, Manuel Rojas.

The Court can see from the billing statements provided with the Petition that the majority of time spent was not Mr. McCloskey's time, but that of a paralegal and for office conferences with his paralegal/secretary and his client. He did no work in this file for over a year and a half until this Petition was filed. While he did work for the benefit of his client, none of that work was for the benefit of the estate, but was rather an impediment to moving the estate along. The Administrator respectfully requests that the Petition be denied in its entirety.

Reply in Support of Petition for Attorneys' Fees and Costs filed 06/10/15 states: The fees expended by Ramos were reasonable and necessary. Ramos disputes the declarations that the estate did not benefit by the information provided by Ramos' attorney regarding the existence of heirs and the existence of estate assets that were subsequently brought forward (the coin collection). Once Ramos was recognized as an heir, no further fees were incurred other than the cost of filing this Petition for Fees. If Ramos had not come forward, the personal representative would have distributed in contravention to the intestate succession statutes. Ramos and Schomers would not have received their share of the estate. Ramos' intervention with an attorney was reasonable because she was not a "core member" of the family and the personal representative would not talk to her. Ramos had no other alternative. The attorney's time spent was reasonable and Ramos' attorney located the heirs, with addresses and let the administrator know about the coin collection.

Ramos contends that it is not equitable that she should have to expend attorney's fees to be recognized as an heir. She contends that the then personal representative did not like Ramos, but knew of her existence and of Elizabeth Schomers, but did not disclose that and breached his duty to those heirs by fighting to disclose their existence in the petition. The Court should weigh the equities here and grant the petition for fees and costs and direct the Administrator to pay the fees from estate funds, or from the administrator's fees.

The Conservatee died on 05/29/14, consequently, the Conservatorship terminated by operation of law on 05/29/14. The Court retains jurisdiction for the purpose of settling the final account of conservator pursuant to Probate Code § 2630. However, since the conservatorship has terminated due to conservatee's death, it appears that the sale of real property should occur in a subsequent probate proceeding after the final account of Conservator has settled and assets distributed to the Administrator of the Estate. The Court may require authority for selling a real property asset of a conservator after the death of a conservatee.

Declaration of Joseph Patrick De Los Reyes Regarding Attorney Fees and Closure of Conservatee's Bank Account filed 05/20/15 states:

- 1) He paid, from conservatee's funds, a total of \$956.38 to the Law Office of Mina L. Ramirez and agrees to reimburse the conservatorship estate this amount.
- 2) When Merced School Employees Federal Credit Union was notified of conservatee's death, the credit union automatically closed his bank account and issued checks to the named beneficiaries, as "pay-on-death" payees. Petitioner and his sister were the named beneficiaries.
- 3) Presently, the estate's real property is in foreclosure and is scheduled for a public sale in July 2015. The property appraised for \$175,000.00. There is approximately \$167,000.00 owed on the first mortgage, and \$17,000.00 on the line of equity that the conservatee owes. Petitioner seeks the court's authority to sell the house for either the appraised value or as a short sale.

Attorney Mele, James J. (for Petitioner Linda Smialowski, Executor)

**First and Final Report and Petition for Final Distribution on Waiver of Account
and for Allowance of Compensation for Ordinary Services for Petitioner and
Petitioner's Attorney**

DOD:12/8/2014		LINDA SMIALOWSKI , sister and Executor, is Petitioner.	NEEDS/PROBLEMS/COMMENTS: 1. Paragraph 24(a) of the Petition states the appraised value of Decedent's vehicle is \$10,000.00 . However, the appraised value pursuant to Final Inventory and Appraisal filed 5/18/2015 shows the value as \$10,500.00 , resulting in an incorrect statement of the value of property on hand for distribution. 2. Pursuant to Probate Code § 10954(c)(1), the Petitioner's final report includes the amount of compensation payable to the attorney for the personal representative, and sets forth the basis for the determining the amount, in Paragraph 25 of the Petition. However, the statutory compensation is calculated without accounting for any loss on sale of real property, as required by Probate Code § 10800. Based upon the <i>Notice of Proposed Action</i> filed 3/12/2015, the real property valued at \$145,000.00 sold for \$133,000.00 , resulting in a loss on sale of \$12,000.00 , which loss must be accounted for in the statutory compensation calculation. Need revised request for statutory compensation based upon sale of real property. 3. Proposed order finds at Paragraph 25 that the compensation to which Petitioner and her attorney are entitled in \$2,600.00 , (and contradicts that sum in the same Paragraph.) Further, the paragraph numbering is incorrect, as there are two paragraphs labeled as 24. Need revised proposed order.

Petitioner NANCY VALDEZ MENDEZ states, continued:

- **First Cause of Action – Invalidity of Purported Power of Attorney:** Petitioner alleges that at the time of the alleged execution of the purported Power of Attorney, Decedent was not of sound mind, she was totally impaired, and lacked the requisite mental capacity to execute a power of attorney; Petitioner requests a judicial determination pursuant to Probate Code § 4541 and 4542 that the purported Power of Attorney was void *ab initio* due to the mental incapacity of the Decedent at the time of the execution of the purported Power of Attorney;
- **Second Cause of Action – Rescission and Nullification of Purported Grant Deed on the basis of the Principal's Lack of Capacity to Execute Purported Power of Attorney:** Petitioner alleges that at the time of the alleged execution of the purported Power of Attorney, Decedent was not of sound mind, she was totally impaired, and lacked the requisite mental capacity to execute a power of attorney; Petitioner requests that the purported Grant Deed be rescinded and declared null and void *ab initio* on the basis of invalidity of the purported Power of Attorney;
- **Third Cause of Action – Rescission and Nullification of Purported Grant Deed on the basis of Undue Influence in procuring the purported Power of Attorney:** Petitioner alleges the purported Power of Attorney was executed as a direct result of undue influence exerted by Joel Valdez and Edna T. Valdez-Gilmore, consisting of: making misrepresentations to Decedent and manipulated her in her compromised mental state; without notifying Decedent's family members, took advantage of her diminished capacity and surreptitiously arranged for Decedent to sign the purported Power of Attorney; Decedent was aged and infirm and suffering from dementia and as a result she was easily influenced and controlled by Joel Valdez and Edna T. Valdez, who actively procured the purported Power of Attorney as part of a pattern of conduct aimed at wrongfully gaining control of Decedent's property;
- **Fourth Cause of Action – Rescission and Nullification of Purported Power of Attorney on basis of Fraud:** By engaging in these acts, Edna T. Valdez-Gilmore made fraudulent representations to Decedent to induce her to sign the purported Power of Attorney, knowing they were false and with the intent to induce Decedent to sign the purported Power of Attorney, so that Edna could convey the Decedent's real property to herself per the purported Power of Attorney; as a result of her fraudulent acts, Petitioner has sustained damages in an amount to be proven at trial; Edna's acts were done maliciously, oppressively and with intent to defraud Decedent; punitive and exemplary damages pursuant to Civil Code § 3294 should be awarded in an amount to be proven at trial;
- **Fifth Cause of Action – Transfer of Property under Probate Code § 850:** All of Decedent's assets that Edna wrongfully obtained from Decedent should be returned to Decedent's estate, with any other benefits received during Edna's possession of assets, plus interest on the assets based on the market value at the time of death during the period Edna had the assets in her possession; Decedent died having a claim to real and personal property, including the subject real property; the Court may make an order under Probate Code § 850(a)(2)(D) directing Edna to execute a conveyance or transfer of the real property wrongfully taken by her; Edna took Decedent's property wrongfully and in bad faith; Decedent's estate is entitled to recover from Edna twice the value of the property taken pursuant to Probate Code § 859;

~Please see additional page~

Petitioner NANCY VALDEZ MENDEZ states, continued:

- **Sixth Cause of Action – Elder Abuse under Welfare & Institutions Code § 15610 et seq.:** At all relevant times Decedent was an elder as defined by W&I § 15610.27, and Edna knew or should have known Decedent was an elder and she reposed in Edna her trust and confidence; Edna usurped powers granted under purported Power of Attorney to upset what would otherwise have been distribution of Decedent's assets so Edna would receive the property and Decedent's other children would receive nothing; *[W&I definition of elder abuse omitted]*; Edna violated W&I § 15610.30 by wrongful acts, misrepresentations, and omissions; Edna took, secreted, misappropriated or retained Decedent's property including the subject real property, and did so to a wrongful use or with the intent to defraud Decedent; as a direct and proximate result of Edna's violations, Decedent suffered pecuniary loss in an amount to be proven at trial according to proof; **under W&I Code, the following is requested be awarded by Court to the Petitioner:** reasonable attorneys' fees and costs; punitive damages; an attachment issued (by application of writ of attachment); fine or penalty up to 3 times greater than authorized by statute; all against Edna T. Valdez-Gilmore for the unlawful acts that constitute the financial abuse committed by Edna against Decedent;
- **Seventh Cause of Action – Breach of Fiduciary Duty:** Edna Valdez-Gilmore, by virtue of purportedly being Decedent's agent under the purported Power of Attorney is a fiduciary to Decedent, and as such owed fiduciary duties to Decedent; by engaging in the acts and omissions, Edna breached her fiduciary duties owed to Decedent; as a result of Edna's breach of fiduciary duties, Decedent suffered damages, the exact amount of which will be proven at trial; the acts of Edna were done maliciously, oppressively and with the intent to defraud Decedent so that punitive and exemplary damages pursuant to Civil Code § 3294 should be awarded in an amount to be ascertained at the time of trial according to proof;
- **Eighth Cause of Action – Imposition of Constructive Trust:** By virtue of Edna's exertion of undue influence over Decedent, Respondent holds title to all assets that she received from the Decedent, including the subject real property, as well as all income derived from such assets, as constructive trustee for the benefit of the persons entitled to distribution of Decedent's estate.

Petitioner prays for and Order of the Court:

1. Finding the purported Power of Attorney to be invalid *ab initio*;
2. Rescinding and nullifying the purported Grant Deed;
3. Finding that Edna T. Valdez-Gilmore is liable for fraud;
4. Ordering the conveyance of all property wrongfully obtained from the Decedent by Edna T. Valdez-Gilmore, including the subject real property, back to the estate of the Decedent;
5. Imposing damages under Probate Code § 859;
6. Finding that Edna T. Valdez-Gilmore is liable for elder abuse pursuant to Welfare & Institutions Code § 15610 et seq.;
7. Imposing a constructive trust on all assets that Edna T. Valdez-Gilmore received from the Decedent, including without limitation the subject real property as well as all income derived from such assets;
8. For attorneys' fees and costs pursuant to Welfare & Institutions Code § 15610.30;
9. For punitive and exemplary damages against Edna T. Valdez-Gilmore in a sum sufficient to punish and make an example of Edna T. Valdez-Gilmore;
10. Declaring that Edna T. Valdez-Gilmore forfeited her interest in any recovery of any damages and costs awarded under this action in the Decedent's property, and that her interest shall instead be distributed as though she predeceased the Decedent without issue; and
11. Awarding attorneys' fees and costs to Petitioner.

DOD: 2-7-07	LORENA GARCIA , Daughter is Administrator with limited IAEA without bond. Letters issued 7-21-08.	NEEDS/PROBLEMS/COMMENTS: Minute Order 6/24/15: Mr. Hastrup will be seeking to invalidate the settlement agreement, with his client returning the \$1,000.00, and not accepting the remaining \$50,000.00 of the offer.
	<p>On 7-14-09, the Court approved a settlement agreement between Administrator (daughter) and Omega Ochoa Garcia (surviving spouse) and allowed continuation of estate administration pending certain issues: 1) Retrial of the damages portion of Civil Case # 04CECG03607 Garcia v. Roberts; and 2) Receipt of proceeds due from an eminent domain matter</p> <p>On 10-4-11 (the 7th status hearing regarding retrial of the damages issue), Attorney Emerzian advised the Court that a motion for a new trial was denied and an appeal has been filed, and that deposits need to be made.</p> <p>Status Report filed 8-27-13 states the estate is currently in a holding pattern pending the outcome of the appeal of the civil matter which holds the bulk of the estate property. There have been no funds received into the estate from the \$184,798 awarded in 7/2011 due to the appeal on behalf of the Roberts. The personal property listed on the inventory is currently in the possession of Omega Garcia (spouse). Until the civil matter is decided, we do not know what the final I&A amount will be.</p> <p>Status Report filed 11-24-14 states an email from Attorney Littlewood of McComrick Barstow, who handled the civil litigation regarding the real property and is also handling enforcement of the judgment with the Sheriff's Dept., on 11-20-14 stated that the Writ of Execution and instructions have been submitted to the sheriff.
